THE PERFECT BLEND OF
DURABILITY & COMFORT

MEET THE MR FARMER UNISEX POLYCOTTON WARM JACKET

Built tough. The MR FARMER WARM JACKET POLYCOTTON combines cotton comfort with polyester strength—breathable, wrinkle-resistant, and ready for anything. Whether you're on the farm or the job site, this jacket handles variable weather without slowing you down. Easy to wash, holds its shape, and built to outlast the work. Workwear that works as hard as you do.
